BEWARE OF FRAUDULENT ENTITIES USING M&M SUPPLY CO. CREDIT INFORMATION AND EMPLOYEE INFO TO ATTEMPT TO PLACE ORDERS

Entities have registered domains www.mmnsupply.com and www.mmsupplyco.com

DUNCAN, OKLA. November 15, 2015 – A group of individuals in California and/or Washington State have begun sending out requests for open credit using information stolen from our website. They are impersonating different M&M personnel including Kelly Simms and Alan Trachtenberg. They have registered two different website domains that are similar to ours (see above) ... and are sending out requests for material quotes. We assume their intent is to purchase material on credit with our good name and to leave without paying the bill. A sample correspondence is below:

Our company would like to establish a net 30 account with your company, provide quote for any of the Below products and get back with your credit application form.

Fluke 376
Fluke 381
Fluke 1550c
GPSMAP® 78s p/n: 010-00864-01
Morningstar TriStar Charge Controller 45A 12/24/48 VDC, TS-45

All responds and questions should be directed to my email address (ksimms@mmsupplyco.com).

Kelly Simms – Mgr. Purchasing
901 W. Peach Ave.
PO Box 548
Duncan, OK 73534
Ph. (580) 925-0760
Fax (844)329-1164

Please do not fall victim to this criminal activity. M&M Supply Co. will not order material without a proper purchase order number which has a specific sequence to it. Our phone and fax number are on our website and can be verified on every document we publish. If you have any question regarding the validity of our company, please contact us at 800-404-7879.
